

neatseat[®]

The best in toilet seat covers and dispensers a practical business consideration that saves time, money and builds goodwill.

As you consider fixtures for your client's washrooms, specify the best available. For toilet seat cover dispensing that's NeatSeat[®] by Sanitor.

NeatSeat[®] covers are dispensed completely flat and unfolded from our attractive, scientifically designed and easily installed metal NeatSeat[®] dispensers. The toilet seat is completely covered while the center flap pulls the fast dissolving, water-soluble cover down the drain when the toilet is flushed. Perfectly safe for all plumbing systems.

NeatSeat[®] dispensers are available in white, beige and black painted metal. Polished, brushed and brass plated metal and in stainless steel; both surface mounted and recessed versions. All are guaranteed for life.

NeatSeat[®] covers and dispensers are sold by leading paper merchants and sanitary supply dealers located throughout the world. Sanitor has been a producer of quality paper products and dispensers since 1931.
