COMBO PACK

SANITOR introduces the new *NeatSeat Combo Pack*. A product for the times, now in a package designed especially for the smaller office environment.

Ideal for: doctors, lawyers, dentists, accountants, clinics, any business environment.

NeatSeat Combo Packs combine 1000 water-soluble tissue seat covers (8 refill pads of 125) and 2 metal dispensers of your choice of white, beige, polished chrome plated or stainless steel. Each is unconditionally guaranteed for life and equipped with "Scotch-mount" tape for instant installation.

Each flushable *NeatSeat* cover is individually dispensed to provide a convenient low-cost barrier against potential health problems.
